

List of *reproducibility efforts* used for the sanity check

The following *reproducibility efforts* were used to check that the list is applicable and relatively complete:

- Miske et al. [1]
- Tyner et al. [2]
- The Brazilian Reproducibility Initiative et al. [3]
- Murphy et al. [4]
- Boyce et al. [5]
- Brodeur, Mikola, and Cook [6]
- Wang, Schneeweiss, and RCT-DUPLICATE Initiative [7]
- Protzko et al. [8]
- Boyce, Mathur, and Frank [9]
- Hoogeveen et al. [10]
- Wang et al. [11]
- Arroyo-Araujo et al. [12]
- Breznau et al. [13]
- Errington et al. [14]
- Schweinsberg et al. [15]
- Veronese et al. [16]
- Page et al. [17]
- Botvinik-Nezer et al. [18]
- Arroyo-Araujo et al. [19]
- Naudet et al. [20]
